

PAYMENT BRIDGE

SMARTER PAYMENT WORKFLOW

YOUR SHOP SYSTEM. YOUR CARD MACHINE. FINALLY CONNECTED.

Payment Bridge connects your shop management system directly to your card machine, so the repair order and amount fill in automatically — no retyping required. When payment is approved, the repair order is marked paid.

SECURE & ACCURATE

No card data stored. The right amount hits the right order, every time.

AUTO-FILL

The total and RO number fill themselves in — no typing, no typos.

FAST ONBOARDING

We set it up and train your team. You just start taking payments.

TEXT-TO-PAY LINKS

Text a secure pay link for phone orders and deposits — paid before pickup.

WHITE-GLOVE US SUPPORT

Real US-based humans. Every message answered within 24 hours.

WITHOUT PAYMENT BRIDGE

- ✗ Re-type the total & RO by hand
- ✗ Typos send payments to the wrong order
- ✗ Mark each order paid manually
- ✗ Slow checkouts, more voids & disputes

WITH PAYMENT BRIDGE

- ✓ Total & RO auto-fill for you
- ✓ Right amount on the right order
- ✓ Orders marked paid automatically
- ✓ Faster checkouts, happier customers
